## THE GOULDING PROCESS - ARE YOU WILLING TO SPEND TWO MINUTES A NIGHT TO ACTIVATE A HAPPIER CHILD?

### IS YOUR CHILD:

- hyperactive, hard to control, nervous, agitated, explosive?
- experiencing separation anxiety, fearfulness or general lack of confidence?
- caught up in the bullying dynamic?
- fighting with siblings or overly aggressive with others?
- having trouble sleeping or experiencing nightmares?
- stuck in habits like bedwetting or nail biting?
- struggling with eating or body image issues?
- dealing with health challenges such as skin rashes or frequent illness?
- struggling academically, labeled with learning disabilities, autism/Asperger?
- troubled about parental separation or other issues at home?
- not fulfilling the potential you know s/he has?

*If so, we might be able to help.*

### THE GOULDING PROCESS -SLEEPTALK® FOR CHILDREN

is a wonderful non-invasive safe, fast (2 minutes) process that you, the parent or guardian, conduct with your child in your home after your child has gone to sleep.

It has been successful in resolving all the issues mentioned above, sometimes in as little as a few days, and has been used effectively by thousands of families around the world over the last 40 years since its founders, Joane and Jim Goulding, developed the process for their daughter Michelle with astounding results.

Even if your child has none of those issues but you want to ensure s/he feels deeply loved and secure and confident and is growing up with all the right beliefs to live an empowered and productive life, then SleepTalk® is also for you.

William for Counseling*

From dynamic teaching at every level, to innovative workshops for businesses and organizations, to advanced education and one-on-one support utilizing hypnotherapy, Tim Horn of Hypnoconsult in Manassas, VA applies the mind sciences to help people overcome challenges and reach goals – even ones they thought unattainable.

Tim teaches clients in Northern Virginia and throughout the world to maximize the potential of the mind, to live with fewer barriers and to help children do the same, improving their education while enhancing the experience of parental involvement.

### **TESTIMONIALS**

I am a Registered Nurse with a Masters in Social Work and I have seen so many professionals help people in so many different and amazing ways throughout my own career, but I don't know that I have ever been this blown away. Mr. Horn is a talented, skilled, and gifted professional. He is generous with his time and obviously truly cares about the people who come to work with him. I cannot recommend Mr. Horn highly enough and I am so grateful for all of the years that he has put into his career so that he can help people like my son and make such a positive impact. - Nancy T
